PROFILE

I am a final year Diploma in ICT: Application Development and I am an aspiring Software Developer with a strong academic foundation in technology and software development, equipped with both practical skills and theoretical knowledge. Passionate about building innovative and efficient digital solutions that make a meaningful impact in the tech space. My enthusiasm for technology and software development fuels continuous learning, creativity, and growth. I am eager to contribute to dynamic projects that challenge the norm and push the boundaries of what's possible in the digital world.

EDUCATION

ALEXANDRA HIGH SCHOOL 2017 – 2021

- Obtained a national senior certificate (NSC Matric) with 1 distinction.
